

ELLERY

BEACH HOUSE
STOCKHOLM

Cali, is that you? Welcome to Ellery Beach House, the only beach resort in Stockholm, created by ESS Group. ESS Group is well known for producing memorable, stylish, and all-you-need hotel and resort destinations in Sweden, Norway, and Denmark.

ESS Group has gained a positive reputation by prioritizing the guest and building personalized destinations where creating unforgettable experiences, well-thought-out food concepts, and quality stays is the focus.

Ellery Beach House opened in September 2020 and quickly gained local and international recognition in magazines due to it's unique and stylish interior and exterior design. The beach house is inspired by the 1960-1970s Palm Spring era, and a thought that might rise as you get familiar with the beach house is, "have I traveled in time? Am I in a Slim Aarons photography?". The prominent pastel colors that gently caress the beach house, mixed with the industrial touches make this place a gem for the eye.

Ellery Beach House is located at the shore of Lidingö, resting beautifully between the woods and the ocean, only 18 minutes from Stockholm City. The change of scenery makes itself noticeable as you drive on soothing winding streets and it really does something for the soul as you leave the noise from the city.

Ellery Beach House is a sophisticated playground where all your senses get stimulated. There are two restaurants located on site with two different concepts. Restaurant Palmers, with influences from Tel Aviv and The Greek Islands, invites your tastebuds to go on a journey with the best hummus in town, accompanied by a full-bodied glass of red wine. Restaurant Coco is California inspired and asks you for a dance together with a fresh five-serving meal as you sip on a delightful Lé Colada and listen to the soulful music from the DJ.

A sophisticated playground? For Ellery, that is a place where you can indulge in great food and spirits, get your endorphins pumping with padel, listen to sweet tunes as your eyes get seduced by lovely art. It's a place where you don't negotiate on sleep as the beds are worth the visit alone, and when it comes to hotel breakfast, it is a must-try.

Coco Pool Club is one for the books. The four warm pools, sauna by the ocean, uniquely designed fire-relax and the gorgeous archipelagic scenery surrounding her makes it easy to get a crush on.

As you depart, you're already looking forward to your next stay, both as a leisure and conference guest. You have to remind yourself that you're still in Sweden, because nothing feels typical Swedish with Ellery beach house.

Cali has never felt this close.
